RENTAL QUALIFYING STANDARDS & FEE SCHEDULE

Chestnut Pointe Associates and The Klein Company conduct business in accordance with the Fair Housing act. We provide equal housing and service for all people regardless of race, color, religion, sex, national origin, handicap or familial status, or any other protected class as defined by state and local jurisdiction.

Identification: All visitors must present a government issued photo identification in order to view the community and to sign the Residential Lease Agreement.

Rental Rates: Rental rates change daily and are based upon the apartment selected, the move in date and the length of the lease. Quoted rents will be honored for 48 hours.

Apartment Availability: The listing of available apartments to rent is updated as each apartment becomes available. This may occur at varying times throughout the day and accordingly, available listing at the beginning of the business day may differ from the available listing at the end of the business day. An apartment becomes available to lease when Management posts the notice in the software program, which will happen when one or all of the following occur:

- A written notice to vacate is received;
- Keys to the apartment are received;
- A vacancy has been validated.

Qualification Guidelines: Each person over the age of 18 must complete a Lease Application and is considered to be an applicant. Each applicant must complete an application in its entirety and all information provided must be true, accurate and complete, as well as verifiable. Provable income plus verified credit history and identity confirmation will be entered into a credit scoring system, which determines rental eligibility. Criminal history will be verified and must meet the standards outlined below in order to be eligible to rent. Each applicant's criminal status will be individually evaluated; applicants' income and credit will be combined. Any person residing in the apartment must be listed on the application including persons under the age of 18. Prior Landlord references may also be checked.

Credit Worthiness: A credit report will be secured for all applicants to verify account credit ratings. The results will be entered into the credit scoring model which determines applicant eligibility to rent. Unfavorable accounts which will negatively influence this score include, but are not limited to: prior eviction, collection, charge off, repossession and current delinquency.

Income Verification: We use Resident Verify Income IQ, a 3rd party verification service, to verify income. You will receive a separate email including instructions on how to securely verify your income through Plaid via bank-linked or payroll verification. These verification processes must be completed within 48 hours and before your application can be approved.

Proof of verifiable recurring sources of income equal to 3 times the monthly market rent (plus all other rental charges such as pet, garage, storage rent, etc.) is required. Gross annual income for all applicants is combined.

Verifiable sources of income include, but are not limited to, recurring payroll deposits, distributions from investments, social security, etc. Additional sources of income may be considered.

Management may request additional documents, such as the most recent 4 consecutive pay stubs, prior year 1099* or current W2* (*only accepted during first 2 months of calendar year), financial statements documenting distributions, etc.

Criminal History: A criminal background check will be conducted for each rental applicant. The criminal search will be run for all addresses at which the applicant(s) has resided over the previous 24 months.

We perform criminal background checks for each applicant in accordance with applicable federal and state laws. Your signature below authorizes us to check for certain convictions. An unsatisfactory criminal background check revealing a conviction of certain felonies and certain misdemeanors may result in denial of your application. However, not all crimes disqualify you from living at the community. Crimes which may result in a denial of residency are those which pose a serious threat to the health, safety and welfare of persons living and working in our community, taking into account not only the type of crime but also the date of the crime and the circumstances under which it occurred.

The fact that we perform criminal background checks does not mean that our residents and occupants have no prior or current criminal histories, and we cannot and do not guarantee that this community and its residents are free from crime. Verification of the accuracy of information supplied to or made available to us by applicants and credit/criminal reporting services is limited.

The application will be denied for the following felony and/or misdemeanor convictions:
